

KYAL SIN KO KO

AI Developer and reseacher

About Me

Hello there! I'm Kyal Sin Ko Ko, but you can call me Kevin. I'm a 15-year-old student currently working towards my NCC Level 3 Diploma in Computing. At JobDoh, I created an AI system for resume filtering and have a strong interest in AI, programming, and research. Skilled in Python, C++, and Java, I love expanding my skill set with new knowledge.
